About QualGear

QualGear® is the market leader in audio video accessories, providing our customers with the highest quality in state-of-the-art accessories. We ensure that our products are up to date with the most contemporary designs and cutting edge technologies. Customer satisfaction is our top priority, making us the most reliable producer of these goods as we innovate and expand.

QualGear brand was found with a mission of bringing pro-AV products with fine quality at consumer affordable price point. We hope we have succeeded in this mission with over 200,000 satisfied customers worldwide.
